

MAKING PLASTIC BEAUTIFUL

Italian architect Tiziano Vudafieri reinvents plastic to create a functional lamp

FEATURE **AVRIL NOEL D'SOUZA**

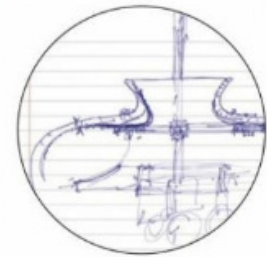

As a tribute to architect and German Bauhaus master Wilhelm Wagenfeld, Tiziano Vudafieri created the Wilhelm Lamp on the invitation of Rossana Orlandi.

"To be useful is to be beautiful."

— Wilhelm Wagenfeld, Architect

THE WILHELM LAMP

As part of Rossana Orlandi's exhibition "GuillessPlastic - Master's Pieces", Tiziano created this one-of-a-kind plastic lamp inspired by the vase created by Wilhelm Wagenfeld in 1935. It was showcased at Milan Design Week 2019. **Shopping Guide on Pg 80**
